The first Fish-In is in the books and it was an outstanding day of fishing. Many boats came in with limit catches and the majority of the fish were Coho salmon. This has been one of the best seasons for Coho salmon ever off Milwaukee and the boats today caught over 200 of them. We had a 20 boat turn out and over 100 people were at the weigh-in and cookout.

**I would like to thank Roger Stack of R&R the Fish'N Hole, Silver King Charters and the GLSF for sponsoring the Fish-Ins again.** We will be awarding gift certificates to R&R for the top ten boats and biggest fish for all five species at the end of the season. Roger has everything you need to catch fish on Lake Michigan and the experience to help you find exactly what you need.

I would also like to thank everyone who helped out, especially Karl and his crew who worked the grill. They did an excellent job setting up and cooking the brats. We couldn't do it without you! Also, thanks to Karl's Country Market for the excellent food and drink. After an excellent day of fishing, the great food is something to look forward to. Finally, thanks to the ladies of the club for all the excellent desserts. All of this for \$5—you cannot beat this price.

The next three Fish-Ins are: June 26, July 31 and August 28. This is a great way to get ready to fish Brew City and become more successful catching Salmon and Trout. Please see the rules on the [GLSFCLUB.COM](http://GLSFCLUB.COM) website for the Fish-Ins.

**Call Kurt Pokrandt at 414-460-1467 by the Thursday before a Fish-In to register or with questions. Good luck fishing and have a safe boating season.**
